Cooperative Research Centre for Construction Innovation

Ebsworth & Ebsworth is a leading Australian commercial law firm with offices in Sydney, Melbourne and Brisbane. We deliver innovative legal solutions for all our clients' commercial, regulatory and dispute resolution needs in defined areas of the Australian and international corporate and business communities, including property and construction, insurance and financial services, health, transport and tourism, and a number of other specialist sectors.

As sponsors of the Cooperative Research Centre for Construction Innovation we are dedicated to supporting the CRC's mission to lead the Australian property and construction industry in collaboration and innovation through long-term research and by helping to strengthen the relationship between government, researchers and industry.

At Ebsworth & Ebsworth we value integrity, excellence and innovation and we provide creative solutions to complex matters. We understand the commercial and legal issues confronting businesses in the property and construction industry and we provide commercially astute advice to help balance risk and opportunity and achieve our clients' objectives on time and within budget.

Please visit our website or contact one of our property and construction experts, Ross Williams, Partner & Industry Leader, for further details about how we can help you deal with the legal issues that impact on the environment in which you work.
