Your Building Workshop

Background, Overview & Case Studies

Your Building is a web portal operating as an actively updated knowledge bank about the ownership, design, construction, occupation, and operation of sustainable commercial buildings.

The portal is being created by the Cooperative Research Centre (CRC) for *Construction Innovation* in partnership with the Australian Sustainable Built Environment Council (ASBEC) and the Department of the Environment and Water Resources through the Australian Greenhouse Office.

Noon to 1pm
L9 L Block CRC Board Room

Lunch

1.15pm to 4.30pm
O Block Room 520
(Includes Afternoon Tea)
