

buildingSMART Workshop 2

Cost Estimation using BIM

Tuesday 17 March 2009

5:00pm - 7:30pm

Utzon Room, Sydney Opera House

This workshop, hosted and sponsored by the Sydney Opera House, is the second of 5 workshops to be held in preparation for the National buildingSMART Conference, to be held in Sydney, 10-12 September

The themes of this workshop will be:

- Cost Estimation using BIM particularly in the construction phase
- AIQS BIM Estimation project will be described as part of that profession's development of BIM based educational resources.
- Specifications and BIM
- Update of CRC for Construction Innovation's BIM Guidelines project

The Workshop will conclude with an open forum.

Workshop Chair: John Mitchell buildingSMART Australasian Chairman

Presenters:

John Oliver CRC for *Construction Innovation*, Estimator Project

Rick Best Bond University

Neil Greenstreet NATSPEC

Michael Manikas AIQS NSW

John Granville NZIQS

Scott Beazley CRC for *Construction Innovation*, BIM Guidelines Project

The aim of this workshop is to identify and develop a presentation and/or report for the national buildingSMART Conference.

Progressive results of the workshops will be hosted on the buildingSMART website. <http://buildingsmart.org.au/>

This event will provide 2 CPD points for AIQS members.

Register by email to Scott Beazley: scott.beazley@tafensw.edu.au

Cost: \$30

Please pay cash at the door, or to make payment through internet banking, please use the attached details. Please print a deposit receipt during your online transaction and bring it to the workshop as your entry ticket. If you require a tax invoice, note the name you want the invoice issued to, and your email address, and we will forward a tax invoice by email.

Payment details: Bendigo and Adelaide Bank

BSB: 633 000

A/C No: 130098965

Reference: Workshop

Forth coming workshops:

Workshop 1 (Re-scheduled) BIM in engineering - structure & building services

Adelaide 23rd March 2009

Contact: Jennifer MacDonald 0406 121 071

Workshop 3 BIM topic to be confirmed.

Melbourne 29th April 2009

Contact: Guillermo Aranda-Mena 0424 274 146 & Yum Kwok-Keung 0409 780 233

Workshop 4 BIM in Health Facility Design.

Brisbane 6th May 2009

Contact: Peter Scuderi 0409 781 412

Workshop 6 BIM in Health Facility Design. (NEW)

Perth Date to be confirmed approx. June 2009

Contact: John Mitchell 0410 318 131

Workshop 5 Building product data, product libraries, and specifications for BIM

Auckland 21st July 2009

Contact: Robert Amor +64 (9) 373 7599

buildingSMART National Conference 2009

Sydney 10-12 September 2009

Contact: John Mitchell 0410 318 131
