

WORKSHOP TO MAKE CONSTRUCTION SAFER

National: Four workshops will be held across Australia to help designers and constructors integrate occupational health and safety practices to minimise accidents and deaths in the construction industry.

The Guide to Best Practice for Safer Construction was organised by Engineers Australia and CRC Construction Innovation and sponsored by the Property Council of Australia. The workshop dates are:

- Sydney – September 17, at Chatswood RSL Club, 1 Thomas Street, Chatswood
- Melbourne – September 21, at Ground Floor Auditorium, 21 Bedford Street, North Melbourne
- Brisbane – October 16, at Hawken Auditorium, Engineering House, 447 Upper Edward Street, Brisbane
- Perth – October 24, at Parmelia Hilton, 14 Mill Street, Perth
